## **Broken Copier Photo Effects - 267595184**

2025-02-10 16:37:32 label 我要反馈 下载页面

## Broken Copier Photo Effects - 267595184:

The Broken Copier Photo Effects Photoshop Action is designed to let users effortlessly create distinct broken copier-inspired effects, regardless of experience level.

The action includes fully adjustable layers, enabling users to fine-tune filters and effects.

Additionally, the package comes with a bonus HDR Poster Noise Photoshop Action, expanding creative possibilities.

This set features simple one-click actions, more than 20 unique color adjustments, and well-organized layers for easy editing.

Compatible with Adobe Photoshop CC2015.5 and later, it works on both Mac and Windows.

Comprehensive video tutorials and lifetime updates are provided to ensure optimal performance and customization.
