**Future Samples Voice SFX:** A collection of voice-over FX samples by Future Samples will be unlike anything you've ever heard.

The sample library is packed with creative and original vocal sounds ranging from robotic voices to female vocal chops that have been morphed and strange speech sounds.

The contents of this pack are extensively processed and altered.

This innovative collection of sounds is suitable for creating a wide range of musical styles and genres and multimedia projects such as films, TV, and video games.

Get your copy now and add some futuristic sci-fi slant to your production!
