# Lights Flashing for Premiere Pro (Videohive 53430784)

2025-02-10 16:40:02　　label 我要反馈　　下载页面

Lights Flashing for Premiere Pro VH-53430784:

"Lights Flashing for Premiere Pro" is a template offering 30 animated backgrounds with customizable colors, ideal for dynamic and vibrant effects.

It features glowing bokeh circles, flickering neon lights, and geometric patterns, perfect for event videos, concerts, parties, DJ sets, VJ loops, music festivals, dance floors, and stage presentations.

Key features include:

- 30 animated backgrounds
- Looped animations
- Color controls
- Compatibility with Premiere Pro 2021 and above

Enhance your video backdrops and presentations with bright, colorful illumination to create an electrifying atmosphere.
