Cinematic Sound Design The Excavator WAV-FANTASTiC: The Excavator' from Cinematic Sound Design delivers a collection of audio recordings that are in perfect 24 Bit/96 Khz. Recorded with the highest quality equipment with a clear signal path, like the Sound Devices 702 and two Neumann KM 184, this collection contains engine and bucket sounds from the Neuson 3602's RD excavator. Perfect for your car, construction games, video projects, and other visual projects. You'll receive 43 field recordings comprising more than 10-minutes of engine and bucket recordings from various angles.

Gfx plugin details of Cinematic Sound Design The Excavator WAV-FANTASTiC
