Social Media Slides for After Effects VH-50327803: Introducing Social Media Slides, a modern template crafted for creators who appreciate a minimalist yet textured aesthetic. This versatile template features modular end screens with complete color controls, convenient media placeholders, and editable text layers. Ideal for blogs, broadcasts, or channels, it adds a designer's touch with hand-made textured backgrounds and engaging text animations.

Enhance your content with this template, whether you're framing photos, prompting the following video, or encouraging subscriptions. Social Media Slides offers a range of possibilities for achieving a polished and professional look for your projects.

- 4K resolution for crystal-clear visuals
- Full-color controls, providing complete customization flexibility
- Font links are included for seamless editing
- Video tutorial included for easy setup and customization
- Compatibility with After Effects 2019 and above
