Midway - Retro Layered Script Typeface: Introducing Midway, an elegant retro bold script typeface that effortlessly brings a vintage charm to your designs. Perfect for creating logos, t-shirts, vintage badges, quotes, branding, packaging, and more, Midway offers a full set of uppercase and lowercase characters, numbers, and punctuation. Its extensive feature set includes multilingual language support, PUA-encoded characters, over 320 glyphs, and up to 80 stylistic alternates with elegant swashes and ligatures. With its OpenType features, Midway provides a versatile and easy-to-use solution for crafting eye-catching retro designs.

How can we add a bold vintage look to our text projects?

You can use "Midway - Retro Layered Script Typeface."
