What is Adventure Presets + Workshop?

"Adventure Presets + Workshop" likely refers to a combination of pre-defined editing settings (presets) and a workshop or tutorial that focuses on enhancing and editing adventure and outdoor photography. This combination is designed to help photographers achieve a particular style or aesthetic in their adventure or travel-related images.

Combining presets with a workshop is a practical approach for photographers looking to improve their adventure photography skills and achieve a certain style in their images. The presets provide a starting point for image editing, and the
