Reclamo – 18 San Serif Font

2025-02-10 16:47:02　　label 我要反馈　　下载页面

Reclamo – 18 San Serif Font: Simple and elegant design of the San Serif family with a couple of contrasting accents. Inspired by the dove cosmetics brand, I believe I could incorporate an easy, clean elegant, and sophisticated print in this San Serif family. Reclaim is a Balinese word meaning advertising. It is a form of communication that is oral and is embedded into the minds of people.

- 386 Glyphs - 18 Font
- Work across PC & Mac Simple installations Available in Adobe Illustrator, Adobe Photoshop, Adobe InDesign, even use Microsoft Word.
- PUA Encoded Characters - Accessible without any additional design software. fonts include multilingual support for; a o u A O U ss ?!
