Epic Stock Media AAA Game Character Orc (WAV):

"GREEN ORCS FOR SUPERB AUDIO PRODUCTION!"

Introducing AAA Game Character Orc, a comprehensive character voice bank designed for seamless integration into your gaming projects. Inspired by the epic fantasy world of "Warcraft," this voicebank is a game-changer. Our Orc character's voice exhibits a subtle depth with a crisp dynamic range. His voice boasts a dry quality and a certain vocal richness that's not overdone, making it ready for immediate use while remaining adaptable for further editing. AAA Game Character Orc shines as an ideal choice for various roles, whether as an antagonistic game character, a non-playable character (NPC), or even a heroic character. With Orc's voice, you can entrust him to carry out your command, no matter the cost, even if it means sacrificing himself.

UNSURPASSED AUDIO QUALITY

All recordings are meticulously captured in 96kHz/24bit .wav file format, ensuring the highest quality for any sound editing, pitch adjustments, and FX processing. The result is an audio library that maintains clarity, precision, and exceptional quality. Whether you require your orc to rally troops, taunt opponents, or spread fear through your ranks, the Orc library will provide you with hours of creative possibilities. Use it for your next fantasy-based trailer, game, film, presentation, and more. AAA Game Character Orc – Available Now!
