

VFX Flames Elements for After Effects (Videohive 52466129) - AE Project

2025-02-10 16:59:42 label 我要反馈 下载页面

VFX Flames Elements for After Effects VH-52466129:

The VFX Flames Elements template for After Effects features a collection of realistic flame overlays, ideal for epic scenes, action sequences, particle effects, and explosions. It allows customization of colors and glow effects with easy-to-use color controllers, enhancing your videos with smooth and explosive visuals.

Key features include 4K resolution, adjustable colors, effect controllers, and an included help file.

The template is compatible with After Effects 2021 and above.
