**The Soul of the Drawing with Sheldon Borenstein:** In Week 2 in week two, teacher Sheldon Borenstein demonstrates the basics of drawing still-life objects. The lesson will focus on the importance of still drawing life and how it can benefit your art career. Through a variety that includes colored pencils, students will be taught how to sketch the structure and shape of every still-life object loosely. And then, Sheldon will show you how to improve your sketches by drawing over them using outline lines and shading.

In this course, you'll be able to connect with the NMA community to receive comments and critiques to enhance the quality of your writing as you move forward.
