Sunwish Maverick is a psychedelic and experimental typeface that has fun, thin curves that look lively for your retro style. The font is inspired by art-deco typography and contemporary striking serifs that can be used to create the display of headlines, displays, groovy posters, vintage flyers fashion magazines, decals, and many other things!

Sunwish Maverick is an All-caps font with alternate characters that you could mix and mix. The font is PUA encoded, so you don't require any software to utilize the features.

Gfx plugin details of Sunwish Maverick Font
